

Explanatory notes on fees for different types of applications  
other than new dwellings up to 300m<sup>2</sup> and flats up to 3 storeys

Where the Building Regulations apply to your work, you or your agent will need to submit either a Full Plans application for approval or a Building Notice.

**Full Plans Application**

If you submit a Full Plans application, we will examine your plans and details as quickly as possible and, if necessary, advise you of any changes required to meet the requirements of the Building Regulations. A plan fee is payable with your application. You will be invoiced for the inspection fee (as applicable) following the first inspection by the Building Control Surveyor.

**Building Notice**

If you submit a valid Building Notice, work can commence after two working days. The fee payable covers our services to you and should be submitted with the Building Notice.

**Regularisation Applications**

A Regularisation application may be submitted when seeking retrospective approval for work that has been substantially completed. A fee of 120% of the Building Notice fee must be paid when the application is submitted. No VAT is payable.

**Replacement Windows**

If you are having your windows replaced and the company is not FENSA registered, you must submit a Building Notice. Where the work is carried out to an existing dwelling and consists of the replacement of windows, roof lights, roof windows or external doors, the Building Notice charge will be £99.55 (including VAT). If a Regularisation application is submitted the charge will be £101.67 (VAT exempt).

**Electrical work as part of extensions or alterations to dwellings**

Applications involving electrical work shall be accompanied by a completed Statement of Intent indicating whether the work will be carried out by an electrician registered under a Competent Persons Scheme. A separate application is required for electrical work carried out by electricians not registered under a Competent Persons Scheme. The fee payable is based on the estimated cost of work (see Table 3).

**Work to 'thermal elements'.**

Where renovation work is carried out to a 'thermal element' of an existing dwelling, eg replacing or renewing existing roof coverings or external render, the level of improvement required has to be determined and any subsequent improvement approved. A Building Regulations application is required to be deposited for such work, the charge will be £99.55 (including VAT) or the Regularisation charge will be £101.67 (VAT exempt).

**Cheques**

Cheques should be made payable to Dartford Borough Council. The Council accepts most debit and credit cards and has the ability to accept payments over the phone.

**Guidance Notes for Table 2**

**Full Plans Submission**

The appropriate plan fee should accompany your application when the plans are deposited with the Council. The plan fee covers the cost of processing and checking your proposals for compliance with the Building Regulations.

**Inspection Fee**

Where an inspection fee is payable, the Council will invoice you following the first inspection by a Building Control Surveyor. The inspection fee is one payment that covers all the inspections made of the building work during the course of construction.

**Building Notice**

The appropriate fee should accompany the Building Notice when it is deposited with the Council.

**Dwelling Extensions and Rooms in the Roof Space**

Where the total or the aggregation of the floor area of one or more extensions exceeds 60m<sup>2</sup>, the charge should be calculated by reference to Table 3. (You are advised to consult us when carrying out different types of work to the same property as this may result in additional fees)

**Measuring Floor Areas**

Floor areas are based on the internal faces of the enclosing walls/outermost edge of floor.

**Where the estimated cost of the works exceeds £1,000,000 please contact the Building Control office**

**Guidance Notes for Table 3**

**Estimated Cost of Works**

The estimated cost of the work is that which would be charged by a person in business to carry out the work but excludes the amount of any VAT. The estimated cost of works is only that work which is controlled under the Building Act 1984.

**Extension of a Dwelling**

Where an extension to a dwelling, the total floor area exceeds 60m<sup>2</sup>, the sum of the plan charge and the inspection charge must not be less than £826.83 (including VAT).

**Works in Excess of £20,000**

For assistance in calculating fees for work in excess of £20,000, please contact us.

**Electrical installation works**

Where notifiable electrical work is carried out by persons not registered under a 'Competent persons' registration scheme, the fees are based on the estimated cost of the work.

## Our Building Control Service

- 1) We have a wealth of experience and local knowledge which allows us to advise you on a number of issues, such as, site conditions, constructional details, means of escape in case of fire, prior to submitting plans. In addition, we provide 'online' information and technical guidance on our website at: [www.dartford.gov.uk/buildingcontrol/](http://www.dartford.gov.uk/buildingcontrol/)
- 2) If required, a Building Control Surveyor can visit your property or offices should you wish to discuss a proposal prior to submitting your plans.
- 3) We provide assistance with any technical problems either during the preparation of your plans or construction on site. Building Control Surveyors are available for advice during working hours before 10.30 a.m. and after 4.00 p.m.
- 4) We liaise with other Council sections, enabling us to advise you should you require approvals, other than the Building Regulations. In addition, we also liaise with other organisations, such as, Kent Fire Brigade, Water Service companies and the Environment Agency.
- 5) We promote the LABC 'New Home Warranty' and LANTAC type approval schemes. Information on all LABC schemes is available from us or LABC Services, 137 Lupus Street, London SW1V 3HE. Telephone: 020 7641 8737. Website: [www.labc.uk.com](http://www.labc.uk.com)
