Residents Consultation Database Questionnaire

Dartford Borough Council is constantly looking for new and innovative ways to deliver better services. To ensure that the services we provide are relevant to your needs, we would like to know more about what you want.

There are a number of ways you can get involved, and the Council is keen for you to benefit from opportunities that would further improve housing services or the community you live in. This could mean residents working more closely with statutory bodies and community groups, and having more influence over decisions being made.

Whatever your views are, we want to know about them. Without your feedback, we can only provide what we *think* you want.

If you want to be involved in reshaping the future of our services, please complete and return this form to be registered as an interested party. You will be entered into a prize draw for every time you get involved.

If you would like to find out more about resident involvement please contact our resident involvement team on 01322 343841 or email resident.involvement@dartford.gov.uk

Please note: Should you not want to take part in any consultation it will not affect your tenancy. All details held will be used solely by the Council for the purpose of consulting on Housing Services.
