What will happen to my representation?

Your representation will be stored on the Council's LDF database and will be used solely in connection with matters connected to the LDF.

It is a legal requirement that all representations be made available for public inspection and accessible for viewing on the Council's website. Although your personal details will remain confidential, your comments/representations will be made public.

The Council will carefully consider all the representations providing these are relevant to the documents and are received by the deadline. A revised Core Strategy and Sustainability Appraisal Technical Report will then be produced and submitted to the Secretary of State. The submitted documents will be made available for a further consultation period for a six-week period during which written representations can again be made. The Council will prepare a final version of the Appropriate Assessment.

The Core Strategy will be subject to independent examination conducted by an Inspector appointed by the Planning Inspectorate to consider their 'soundness'. This Independent Inspector will produce a report, which may include changes to meet objections and other matters. These changes will be binding on the Council who can then proceed to adopt the Core Strategy and Site Specific Allocations.
