

LOCAL STANDARDS

Our promises to you

DARTFORD
BOROUGH COUNCIL

Local Standards.

Our promises to you.

Home

We will:

- Offer both morning and afternoon appointments for repairs, and work towards with an option for a 2 hour appointment window where requested.
- Offer a job reference number at the time of reporting a repair so that repairs can be identified easily.
- Offer contact information for contractors so that you can discuss some types of repairs or improvements to your home directly with those carrying out the work.
- Monitor our customer satisfaction levels via telephone surveys made by the Council, our contractors and the Dartford Borough Residents' Forum (DBRF).
- Break down cleaning performance information into areas so that you can identify how well your community is looking after itself.
- Enable members of the DBRF to attend a number of void inspections to monitor the quality of our properties before they are re-let.
- Encourage our contractors to become involved with local events, meetings and open days, etc.

Tackling ASB and helping you to feel safe

We will:

- Proactively look to prevent incidents of anti social behaviour occurring.
- Review the Anti-Social Behaviour Policy for Housing and ensure it meets the Councils corporate objectives. We will involve residents when this takes place.
- Support victims of anti-social behaviour in as many ways as possible and offer details of other organisations that offer advice and support.
- Support the DBRF in building an awareness of the Community Safety Unit and the work they carry out to tackle anti-social behaviour.
- Publicise actions against perpetrators, where possible, to reassure the public that we are taking action against this type of behaviour in our tenancies.
- Ensure that customer satisfaction information is obtained from victims of anti-social behaviour to improve the service.

- Make more use of community meetings to enable a greater awareness of the Forum and gain a better idea of the issues in your area.
- Make sure all new tenants are made aware of their responsibilities when they sign up to a tenancy with emphasis on good behaviour & rent payment responsibilities.

Keeping you informed

We will:

- Inform you about events, services and Council news by website, notice boards and email.
- Send you a Link newsletter four times per year with information about services, consultations, major changes within services, performance information and how you can get involved.
- Send information, on request, of how you can get involved in shaping services
- Let you know when estate inspections take place in your area and give you feedback on any actions.
- We will increase the amount of feedback that we offer customers when they contact us to reassure them that we are dealing with their request and keeping them up to date.
- Provide performance information on our services to tenants on a regular basis within the Link, on the website, through the DRBF and on request, in an easy to read, clear and standardised format.

Getting your views

We will:

- Consult with you on any major changes to our services
- Be available at appropriate external events to give you the chance to meet us and have your say on services.
- Consult with you on new housing policies and procedures.
- Consult with you on your choice of fixtures and fittings if you have improvements to your home.
- Involve residents when we make decisions on which contractors to use.

Getting to know you and helping you get involved

We will:

- Support residents who want to be part of our Borough Forum who help us to make decisions on where Community Initiative Fund money is spent.
- Support residents groups to set up their own local groups and support them to meet on a regular basis and improve resident involvement within their local area.
- Support residents who wish to set up a Neighbourhood agreement within their local area to address local priorities.
- We will continue to support the work of the DBRF.
- We will review and develop the community contact scheme to enable improved monitoring and information to be passed between the Council and tenants and leaseholders.
- We will review and develop the profiling information that we hold about our residents so we can better tailor services to their individual needs.
- We will develop further links with local groups to reach customers who are hard to reach. Please contact us if you would like us to visit your group to speak about resident involvement or one of our services.

Helping you find out how well we're doing

We will:

- Provide you with full details of how we are performing on request in a way that is easy to understand.
- Provide the DBRF with regular performance information.
- Set up a tenant led monitoring group to inspect our performance.
- Provide training to help develop skills for those who are involved to enable meaningful involvement.

Monitoring our local standards

We will:

- Monitor these standards regularly with the DBRF at their Committee meetings.
- Supply and support the DBRF with information and necessary resources to carry out monitoring.
- Publish performance information regularly on the Council website, within the Link magazine and on request.

For more information about Local Standards or getting involved with the Council to monitor services contact us by:
