## INTRODUCTION

This profile summarises a range of population data for the ward of Ebbsfleet in Dartford Borough.

The ward falls in the area covered by Ebbsfleet Development Corporation (EDC), a government-backed organisation overseeing the delivery of Ebbsfleet Garden City. It was set up in 2015 and is responsible for determining most types of planning applications for sites within its area.

As the ward boundaries changed in 2019, direct comparisons to earlier time periods should not be made.

## DEPRIVATION

The Indices of Multiple Deprivation (IMD) provides data to a localised scale in terms of the most and least deprived neighbourhoods. In 2025 the updated IMD was published, superseding the 2019 IMD.

Neighbourhoods are called a 'Lower-layer Super Output Area' (LSOA) and have an average population of 1,500 people. In Dartford, there are 67 such neighbourhoods and these do not align with electoral ward boundaries.

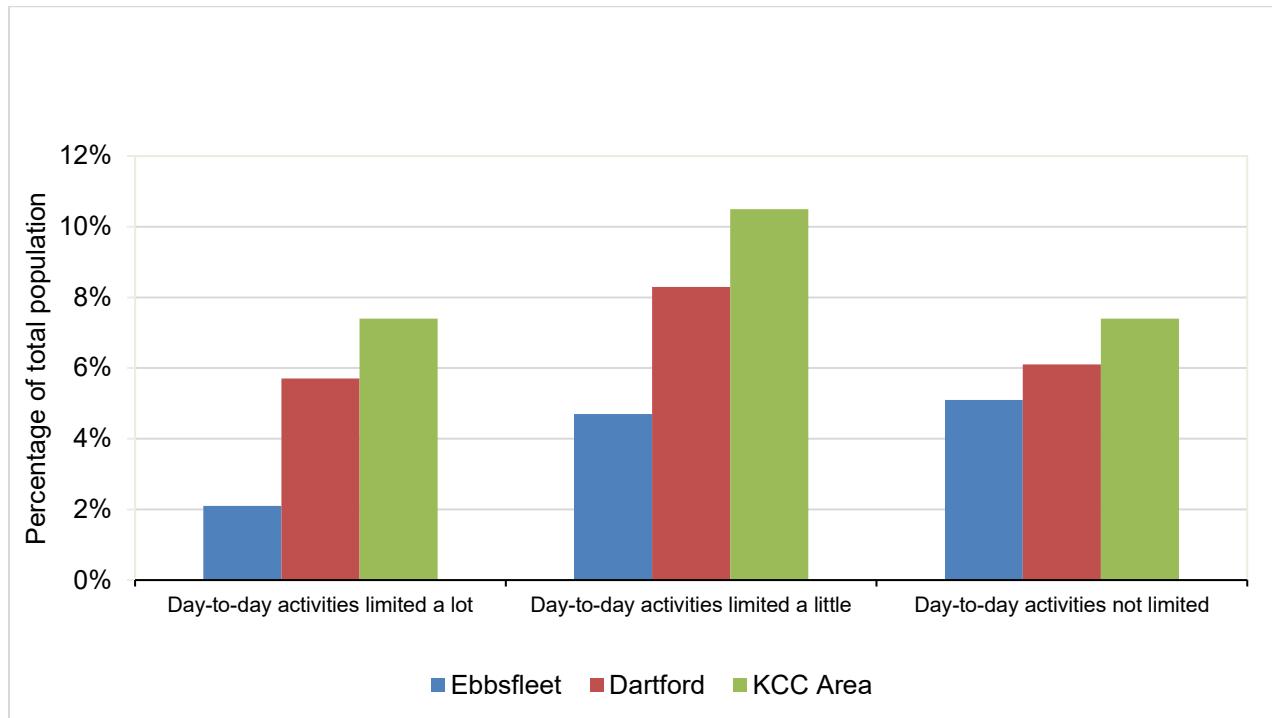

Overall, Ebbsfleet is predominantly less deprived than 70% of all neighbourhoods in England.

#### METHOD OF TRAVEL TO WORK

The Office for National Statistics (ONS) collected Census 2021 responses during the coronavirus (COVID-19) pandemic, a period of unparalleled and rapid change; the national lockdown, associated guidance and furlough measures. As a result, these factors will have affected the travel to work topic, therefore extra caution should be taken when interpreting the below figures.

## PLANNING & INFRASTRUCTURE

### DEVELOPMENT PLAN DESIGNATIONS

### COMMUNITY INFRASTRUCTURE LEVY

The Community Infrastructure Levy (CIL) is a charge on development that allows Dartford Borough Council to raise and pool contributions from developers towards the funding of a wide range of infrastructure. The Council introduced its CIL charging scheme on 1 April 2014.

A limited (nationally set) portion of Dartford's CIL receipts are transferred towards the local neighbourhood level, for appropriate smaller projects. In the unparished areas of the borough 15% of CIL receipts are retained for neighbourhood spending.

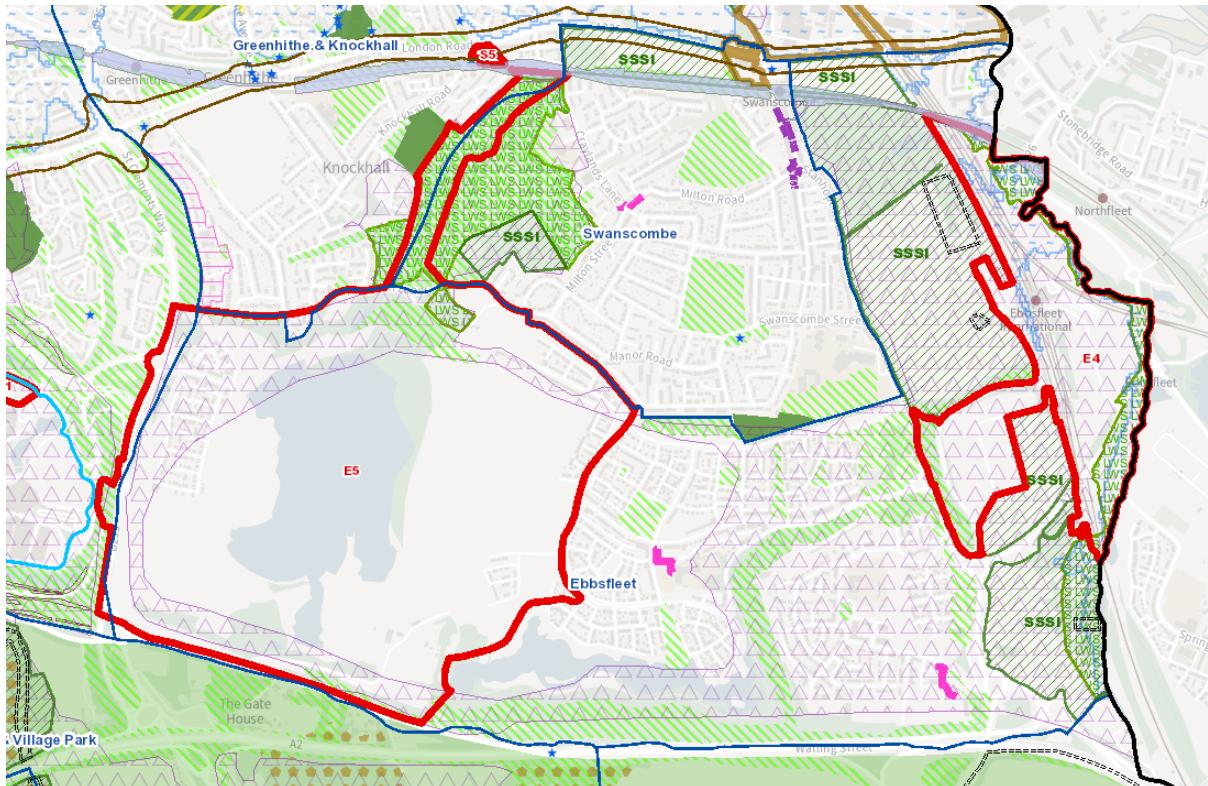

Due to planning permissions in the Ebbsfleet area predating CIL (s106 dependent), zero CIL has been generated or is available for expenditure.

Further information can be found in the latest Infrastructure Funding Statement [here](#).
